HANDMADE PASTA

Our handmade pasta is inspired by the timeless traditions of Puglia in Southern Italy. Each shape is crafted with care, following recipes passed down through generations ... a celebration of simple ingredients, family heritage, and the rich culinary soul of Italy. From our kitchen to your table, an authentic taste of home.

ORECCHIETTE

A signature pasta from Puglia, shaped like little ears and handmade using traditional methods. Their curved surface holds sauces beautifully, offering a truly regional experience.
